Dear Sir:

On Thursday, November 20, 2003, Applicant performed a PAIRs status check (attached) on this application and discovered that a Restriction Requirement had apparently been mailed on June 26, 2003. No Restriction Requirement has been received by this office on this application.

On Thursday, November 20, 2003, after having seen the PAIRs report, Applicant's patent secretary determined Examiner Robert Tupper's phone number and called him. There was no answer and a message was left for him urgently call back to discuss this matter.

No return phone call was received.

On Tuesday, November 25, 2003, Applicant's attorney, Robert O. Guillot, the undersigned, again called Examiner Tupper. There was no answer and a second message was left that he return the call as soon as possible. It was hoped he would mail/remail the apparent restriction requirement and start a new response period.

On Wednesday, November 26, 2003, Applicant attorney called Examiner Tupper again; a third message was left. Applicant's attorney also pressed "0" to talk to a supervisor, a supervisor's message said she would be back on November 28. Pressing "1" to talk to her supervisor, Applicant's attorney was disconnected.

Because today, Wednesday, November 26, 2003, is apparently the FIVE month date from the apparent mailing date of the June 26, 2003 Restriction Requirement, Applicant files by fax this Response to the Unseen Restriction Requirement.

Applicant requests/petitions that no extension of time fees be assessed in this matter. However to avoid abandonment, the USPTO is authorized to charge Deposit Account No. 08-3240 any fees associated herewith.

Responsive to the unseen Election/Restriction Requirement apparently mailed June 26, 2003, Applicant elects claims 1-24 for further prosecution.

Applicant requests a telephone conference with the Examiner at the number set forth below.

Respectfully submitted,

Date: November 26, 2003
